Welcome... to the September edition of your club newsletter.

What a month August was! If you have been following the club on social media you will know that it has been pumping. This is super pleasing and long may it continue. The big event for the month was the AGM. As usual there was some robust debate which was great to see as this shows the passion this place holds in our members lives. We would like to thank Linda, Caro and Johnny for the work that went into preparing for the AGM, it certainly is not for the faint hearted but you guys smashed it! Nice work team. Congratulations to all of you that were successful in getting voted both onto the Committee and as Executive Officers. The full 2022~2023 Committee is listed below and we are all super excited for the year ahead. The Anchorage continues to be Whakatane's Function Centre with bookings being super strong well in advance. If you want to secure your booking for your next meeting, birthday or end of year function, we highly recommend you contact us in the office as soon as you can to avoid disappointment. Skippers Restaurant still proves to be a favourable place to dine in Whakatane so why not check out some of the daily special meals on facebook ~ Skippers Restaurant Whakatane ~ the place to dine!!!

Jamie Munn & Geoff Scott installing our new swivel sponsors sign. Cheers guys!

Fishing News... This is always a quiet time of the season for the club however, the first month of the Month Long Tournaments is done and dusted. Come along to prizegiving on Friday the 2nd of September at 7pm to see who grabbed the *chocolate fish* ~ so to speak. September is under way with Kahawai being the target species. Good luck everyone and tight lines! We are using this quiet time to carry out some much-needed maintenance on the weigh station. You may have seen the new swivel sign installed which will please our sponsors as their logo will be seen behind all those amazing catches no matter what time of day or the suns position. Sometime over the next two months you will see the gantry come down for some TLC. Massive thanks to Scotty and Jamie for taking care of these really important jobs. Don't forget guys, we really want to see your catches and adventures so make sure you send in heaps of photos with a brief description to tournaments@wsfc.co.nz.

Upcoming...
