

NEWSLETTER DECEMBER 2022

Volume 13

SUPPORT THOSE
WHO SUPPORT US

Welcome... to the December edition of your club newsletter, the last for 2022!!!

If you were one of the nearly 200 people that came along to our quiz night in November, THANK YOU for supporting the EBOP Hospice and your club. **We raised an astounding \$12,000.**

Thanks to everyone who made this event possible especially the wonderful Mandy! Nga Mihi! If you are a current member that lives locally and you haven't received your current membership card, please pop into the club to pick it up from behind the bar. If you live out of town give the ladies in the office a call and they will send it out for you. This is also a great time to update your details with the office, especially that all important email address. Email office@wsfc.co.nz with your updated details or phone the office on 07 3070334.

Summer Memberships are available now and at only \$30 for six months, would make an ideal Christmas gift for that friend or whanau member that you keep signing in ;p

We have the awesome sounds of 'THE ENDZONE' to see in the New Year. It's going to be an amazing night and is open for members and non-members and with only a \$10 koha to enter see you there, no excuses! The childrens Christmas party is on Saturday the 10th of December. Gifts are \$10 per child to go into Santa's sack. Keep an eye out on the clubs social media for further details. As we wind down 2022 we would like to thank all of our members for their support this year. The club has bounced back really well after three COVID disrupted years so thank you all. *Merry Christmas and a Happy New Year to You and Your Whanau.*

Fishing News... The Landmark Homes 7 Species & Snapper Tournament was low on numbers but really successful. The feedback has been super positive. Thanks Edward and the team for the amazing support. Whale Plumbing are supporting the Christmas Hams Tournament this year, make sure you get along and support them and your club for this tournament. Reports are coming through of YFT active up north so they are not far away. The new Box Tuna Tournament Entry Pack is available on our website or from the club, watch out on our social media pages for when it is activated by the tournament committee. A reminder that it is THE ANGLERS RESPONSIBILITY TO CLAIM CLUB, NATIONAL, OR WORLD RECORDS. The club will assist where we can but it is, and has always been, the anglers responsibility to ensure all paperwork is accurate and completed correctly.
